Dear Mr. Kohn:-

Referring to your statement of October 23rd, which you asked us to compare and report upon, it would seem from our records that you did not list thereon two bronze Peace Medals delivered on August 6th. These with the three others delivered August 15th make up the five additional copies you wanted at that time. Will you kindly see whether your records do not confirm that the numbers of these two were 154 and 157.

Very truly yours,

Secretary.

Attention Mr. Albert H. Kohn

Dear Mr. Kohn:

I am returning your memorandum of the 24th re-  
ceipted, as well as our own memorandum to cover, and the memo-  
randum of medals still retained by you checks perfectly with  
our account.

You see that what you have been able to do to aid  
us has amounted to no mean sum during the past year. Both Mr.  
Newell and myself appreciate it very much.

Through an oversight, I neglected to inform you  
that the \$3 fixed as the price for the Cardinal Mercier Medal  
was later changed on the basis of \$4 plus postage, and I have  
been returning the balance to those of our members who remitted  
\$3. In consequence, there is a credit due you of \$1 on each  
of the three medals sold. Will you deduct this \$3 from the  
next remittance you make? I should hardly consider it advisa-  
ble or necessary for you to try to reimburse those who have pur-  
chased the piece through you.

Permit me to express the hope that your New Year  
may be a happy and successful one.

Very respectfully yours,

(Enclosures)
